Dear Sir -

I was reading a Mandarac  
story in one of the Nov., 63. issue  
of a Detective Magazine. Also  
noticed the Lecture of Robert  
I think M. N. or Connell  
of Lee Oswald, Dallas.

Enclosed with other picture  
in the News paper, thought  
I would send it to you.  
As your Department would  
be the proper authority to  
check.

This may not be Lee Connell  
but I felt I should send  
this to you.

I can obtain the name  
if need be - Kindly  
Thanking you kindly
